Faith, Hope, and Murder (Community of Faith Mysteries Book 1) Elise M. Stone

A quest for truth draws Faith Andersen into the world of human smugglers; and a life-changing experience in the Arizona desert.

When Faith Andersen's best friend asks her to help a stranger, she has no idea the problem is murder. The victim, a smuggler who brought both drugs and human beings over the Mexican border, had plenty of enemies. And even more dangerous friends.

When Pastor John Menard discovers Faith is poking into a homicide, he fears for her safety.

Spiced with danger and opposing beliefs, their mutual attraction grows. But have they gotten themselves into more trouble than either of them could have imagined?

This edition has been revised to remove some words that some readers found objectionable.
