The Routledge Companion to Family Business

The Routledge Companion to Family Business

The Routledge Companion to Family Business offers a definitive survey of a field that has seen rapid growth in research in recent years. Edited by leading scholars and with contributions from the top minds in family business from around the world, this volume provides researchers and scholars with a comprehensive understanding of the state of the discipline.

~~Over twenty five chapters address a wide variety of subjects, providing readers with a thorough knowledge of key research themes such as corporate social responsibility and bank debt rationing in the modern family firm.~~ International examples include coverage of a wide range of economies including China, Europe and Latin America.

The book will appeal to undergraduates, postgraduates, and business instructors, seeking a complete knowledge of the issues and solutions that affect and support family business.
