To Date a Man You Must Understand Yourself: The Journey of Two Women

Finally. A dating book that is PROACTIVE. Do you ask yourself why you are still single? Are you constantly dating “wet kittens?” Taking them in, drying them off, feeding them, and paying for their fluffy asses only to get dumped in 3 weeks?

Hi I’m Gregg and I write #1 BEST SELLERS! I’m the author that talks to my readers and gives free advice through my dating books for women.

Let’s get you in TOP dating shape BEFORE you go out and try to meet the guy of your dreams. Doesn’t that make sense? You don’t run a marathon without preparing your body right? So why would you jump right into a relationship before you understand your own self? Yet women do. They fall for a man before they have matured as a person and this leads to failure. You grow as person, the most, when you are single. But instead of enjoying this time and packing your life with as many experiences as you can, many women feel the need to get married and have kids. Hell, society screams at women to have a family straight out of college.

Let's Talk About Your Story and Why it is So Important

Everyone needs a great story. Women that create a positive story BEFORE they settle down get rewarded with quality men that stay in their lives. Positive experiences define your story and this makes you interesting. When you are interesting, you have opinions and with opinions you can challenge people - namely men. Women who have a great story develop boundaries and they live their lives with conviction.

We are going to work on your story. And if it sucks, then we are going to change it. And when we do, you will be amazed how easy it will be to get what you want out of life and attract a quality man!

You are going to meet two women, Meghan and Jennifer. Each has a story to tell. One will succeed and one will wallow through failed relationships. You are one, or some combination, of Meg or Jen. By following their life experiences, we will be able to see what you are doing right or wrong and FIX the problem NOW!

In Section One and Two we will meet our girls and we see how they perform in real life

- Meet Meghan and Jennifer
- Understand why your financials are so important

- Learn their stories and what the guys they are dating think about them
