Firefighter's Handbook: Essentials of Firefighting Cengage Learning Delmar

The knowledge and skills you need - the way you need it. That is what Firefighter's Handbook: Essentials of Firefighting, Third Edition aims to provide with this new edition of our basic book. Consisting of the newly revised information that is offered in the Firefighting & Emergency Response book, this version of the Firefighter's Handbook removes the hazardous materials related content, providing a more affordable option for those departments, academies and schools in which hazardous materials is taught in a separate course. Current firefighting topics include a new chapter on large incident and disaster response, as well as new information on fire life safety initiatives, managing air supply and performing emergency checks, predicting building collapse, GPS technology, thermal imaging use in search and rescue, new considerations for terrorism response, and much more!
