Starr's Awakening (Red Starr, The Prequel)

Catori Starr has been lost in a crippling grief since losing her husband, Red. Since learning he went MIA on a rescue mission abroad, she has existed more than lived. She's a shell of who she used to be. Restarting Red Starr HRT is a last-ditch opportunity to overcome her pain--and keep her husband's legacy alive. With a team of cherry-picked men, she must now decide if she's willing to set aside a years-old grief to begin a new life filled with the potential of fated dreams...or deadly peril.

Hearths of Fire (Red Starr, Book One)

Moving forward with his life...

Neal Bauer tried returning home once before and he found that some things aren't meant to be. When Red Starr HRT, a paramilitary hostage rescue team, offered him a position that would use his specialized skillset that had served him well in the military--he jumped at the chance.

The past has a way of returning...

Charlotte Whitefall has made some really bad decisions in her life...leaving Neal Bauer standing at the altar tops the list. Growing up in Hearth, Missouri has taught her that when someone leaves their small town, they don't return. She saved Neal from a painful choice by moving on with her life and raising her sister alone.

Coming home...

When a local cult invades the town of Hearth, the citizens do their best to stay clear of the members. Everything changes when Charlotte's little sister is drawn into their way of life. There is only one man who has the connections to eliminate the dangerous threat. Can Charlotte persuade Neal to come home long enough to rescue her sister? More importantly, can she convince him that she made a terrible mistake all those years ago--and possibly rekindle their smoldering passion?

Series Description: Red Starr HRT is a paramilitary hostage rescue team that was originally formed years ago by two retired Marine Master Sergeants. Upon the death of Catori Starr's husband, Brendan "Red" O'Neill, she took a much needed hiatus to deal with her guilt and all consuming grief. Two years later Starr is clawing her way back and ready to lead a fresh team of five cherry-picked former Force Recon Marines. Red Starr HRT takes cases the FBI and other agencies won't touch, from domestic assignments bordering on the grey edges to missions abroad against savage terrorist regimes. Follow along as Kennedy Layne conveys each of their stories as they work together on high risk rescues that lead them down perilous paths of passion, intrigue and suspense...
