Linda Shaw's stepbrother, New York's advertising mogul, Chris Ray has returned from his business trip to find her sleeping in his bed. Even worse, Linda had been having the most erotic dream, with Chris as her leading man. Linda had been in love with her stepbrother for long time, but has never had the heart to tell him. But perhaps living in close proximity will change all that. After all, she'd got no where else to go.

Linda is broke with a capital 'B'. As a unsuccessful model, she is not willing to to bend over backwards to get a job. Neither is she willing to lay down for one. So, Chris volunteers to help her. After all, what are much older, big brother's for? One the way to helping Linda find success, the two find something much more satisfying.

What happens when the invisible lines are cross?

Sometimes, the thing we want the most is the most taboo... which just makes things much more complicated.
