Elizabeth is thrilled to be spending a semester interning in Washington D.C., at one of the city's biggest accounting firms. She and two of her friends are ready to take the first step towards their adult lives—and enjoy all the nightlife that D.C. has to offer. **They go out their very first night, and Elizabeth bumps...quite literally...into a handsome businessman at the bar.**

The attraction is instantaneous, and Elizabeth throws caution to the wind. What follows is a night like nothing she's ever experienced before...and then nothing. Ruefully, she thinks she's seen the last of him, **until she sits in on a meeting one morning at her internship.**

The handsome man that she'd spent the night with is none other than Ethan Sharpe, one of the most well-known billionaires in D.C. and the CEO of the company that Elizabeth is interning for. **She determines to not say anything and avoid trouble, but Ethan isn't about to let her go so easily...**

Readers should be 18 and over due to mature situations and language.
