"A plot much different than all the rest." ~ Rose

"Makes you wonder if events such as this could really happen." ~ Christy

"Zombie action that can redefine your nightmares." ~ JMW

I was diagnosed with cancer just hours before rumors of a cure began circling the globe. Like me, most people were skeptical, while others thanked their lucky stars for such fantastic news. Then, strange things began happening, like thousands of birds falling from the skies and fish going belly-up for no reason. People assumed foul play, but that was quickly dismissed. A secret society with government backing lurked in the shadows while a virus was born. It spread wildly across the planet, unleashing the dead to walk among us. This is when my living nightmare began, and life as I knew it changed forever.

"There is an appointed time for everything, and there is a time for every event under heaven." ~ Ecclesiastes 3:1-1 KJV
