These days, it's more important than ever for kids to learn the basics of spending and saving. What kind of person is an entrepreneur? It's just a person (even a kid) organizing and managing a business undertaking, assuming the risk for the sake of the profit. Someone who perceives an opportunity and creates an organization to pursue it or simply someone who is looking to build/develop a company.

This book was created to help kids develop entrepreneurial ideas and to provide steps to take in the entrepreneurial journey. We believe that kids can learn to be entrepreneurs and kids have many characteristics of an entrepreneur. Let's believe in the potential of kids and the need to inspire entrepreneurship at an early age. Many studies suggest that the environment you grow up in affects who you become. What kind of environment are you providing for your children?

This book has been created about the basics of entrepreneurship for children. It was designed to help kids see and participate in an entrepreneurial experience.

After downloading this book, you will learn...

- Chapter 1 - The What and Why Behind Business

- Chapter 2 - Choosing the Right Business
 - Chapter 3 - Business Basics
 - Chapter 4 - Business Ideas
 - Chapter 5 - Business Implementation
 - Chapter 6 - Business Evaluation and Improvement
-
- Much, much more!

Read what other people have to say

"It is super awesome! It includes helpful hints and tips in the business, and gives profiles on kid entrepreneurs who succeeded. All in all, a great book. I would highly recommend this book to any young entrepreneur who wants to start a business. All in all, a great book"

- Prof. M. Johnes Phd -

"It's important to teach our children some responsibility regarding money and teaching them entrepreneurship is the right thing to do."

- Irma K Thurston -

"Interestingly business reference book made for kids. The ideas of entrepreneurship with your children given here is a good start to awaken their interest and to educate them on business basics. Also, the very purpose of this, is to let them understand that making money is not that easy and that way, they could also learn how to spend wisely. Setting objectives and and strategically trying some of the simple business ideas could also be a great means of bonding between the parents and their kids."

- Twister M. -
