In Search of Honor is the second book in The Port Honor Series. It picks up where Port Honor left off... From blazing a trail to Atlanta at break neck speeds in the moments after the bombing of Centennial Olympic Park on July 27, 1996, to fervently laying the groundwork for his future happiness, Gabriel Hewitt takes you along with him on a roller coaster ride of emotions. It is the ride of his life and a poignant story of love, rising to the occasion and staying the course, no matter how many roadblocks crop up.
