## MyAnthroLab with Pearson eText -- Standalone Access Card -- for Biological Anthropology (3rd Edition) Craig Stanford, John S. Allen, Susan C. Anton

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

**For undergraduate introductory physical anthropology, biological anthropology or human origins courses.**

*Biological Anthropology, 3/e* continues to build upon the strength and success of the first edition by integrating the **foundations** and the **most current innovations** in the field from the ground up.

Over the past twenty years, this field has rapidly evolved from the study of physical anthropology into *biological anthropology*, incorporating the evolutionary biology of humankind based on information from the fossil record and the human skeleton, genetics of individuals and of populations, our primate relatives, human adaptation, and human behavior. The second edition of *Biological Anthropology* combines the most up-to-date, comprehensive coverage of the foundations of the field with modern innovations and discoveries.
