How do you show off the best features of a home built for another age, while adapting it for modern living? In *Old House New Home*, Ros Byam Shaw looks at the many different ways we can furnish and arrange an old building to suit today's needs, whether it is a terraced townhouse or a converted factory. Exploring properties as diverse as a small Victorian townhouse and a former country dairy, she reveals how the design of each home has been reinvented for the 21st century. The book is divided into a series of key styles: 'Period Piece', 'Urban Chic', 'Rustic', 'Recycled Spaces' and 'Country House'. Each section includes ideas for furniture, lighting, fabrics, colours and finishing touches appropriate for the particular style of interior.
