Real Peace / No More Vietnams: Richard Nixon Centennial Edition Richard Nixon

Here in one volume are two of Richard Nixon's most incisive works on American foreign policy. In *Real Peace*, Nixon argues that lasting peace can only be achieved through "hard-headed détente" - a pragmatic mixture of military preparedness, effective arms control, and improved East-West economic ties. In his best-selling *No More Vietnams*, he analyzes America's military involvement in Southeast Asia - including his own role as commander-in-chief from 1969 to 1974 - and calls for a new American approach to conflicts in the Third World. "He is just about the only American leader who ever did anything right in Vietnam.... Nixon makes a strong case." --Chicago Tribune
