## **Remind Me Who I Am, Again** Linda Grant

In *Remind Me Who I Am, Again*, Linda Grant tells the story of her mother's gradual but devastating mental deterioration, her diagnosis as a victim of Alzheimer's disease, and her family's struggle to come to terms with the catastrophic impact of the disease. Immensely moving, at times darkly comic, and searingly honest, it combines biography and memoir in a unique examination of the profound questions of identity, memory, and autonomy that dementia raises.
