From 2nd page: "A MESSAGE TO PASTORS.... This series of discipleship lessons was born out of a need experienced by so many pastors - the need for material that 'says what we want to say' in the 'way we want to say it.' While there is an abundance of this kind of material available, most of us can relate to the frustrations of finding it to be either too skimpy, too shallow, too weak, or just not in line with the fundamental doctrines and convictions of Bible-believing Baptist churches. This particular 'ABC's Of Christian Growth' discipleship program in no way claims to be the apogee of perfection. It does, however, present you with some distinct advantages: (1)It is workable. The program is tried, and it works! (2) It is Flexible. You will find that this program can be used in a number of different ways: It can be used in a 'one-on-one' situation. It can be used in a group Bible study setting. It can be used in a New Members Class. It can be used with teens, older students, and in Jail Ministry Bible studies. It also offers value to the preacher. (3) It is Practical: Each of the 28 lessons is self-contained, and may be used in any sequence."
