The Dispensation of the Fulness of Times Craig R. Dunn

The Dispensation of the Fulness of Times, A Discussion of the Last Days for Latter-day Saints, presents compelling evidence regarding the timing and reasons for the events of the last days commonly referred to as the signs of the times. Unlike most books which merely list prophetic events, you will find that the author sheds new light by answering the age-old questions of how these prophetic events fit together, what they mean to you, and why they must occur in the first place.
