Alarm Shay Savage

Safe and comfortable. That about sums up Chloe's life. Meeting a tall, dark stranger covered in tattoos is not in her plans. Bad boys just aren't her type – even if they are gorgeous and built like a brick wall. Her internal alarms warn her that Aiden Hunter is definitely on the list of men her mother told her to avoid, but she doesn't listen. Instead, she finds herself drawn to Aiden and the excitement he promises.

Near the beach in Miami, he occupies her days with thrills and her nights with passion she's never experienced before. She knows he's hiding something from her, but Chloe pushes away her concerns and embraces this new way of living.

As Aiden teaches her to live life to the fullest, Chloe battles the internal warnings that tell her to be wary. By the time she realizes her fears may be justified, it's too late.

Aiden's past is catching up to him, but is he the hunter or the hunted?
