Forty Years of Wondering: The High Holy Day Sermons of Rabbi Raymond A. Zwerin Raymond Zwerin

All of the sermons in this book were delivered between 1967 and 2004 at High holy Day services. There are from one to four sermons for each year, almost 100 in total. Also included in this collection is a sermon about the Holocaust that included Yiddish and Hebrew melodies, the lyrics of which are included here. It was preached and performed in synagogues throughout the Denver community.

Sermons have a way of reflecting the historical events and conditions, cares and concerns of the years in which they were delivered. As such, these writings open a window to the world as seen through Jewish eyes in the last four decades of the 20th century and the beginning years of the 21st century.
