Good Husband, Great Marriage: Finding the Good Husband...in the Man You Married Robert Mark Alter

For men, and the women who love them, this is a highly controversial book on how to get - and be - a good husband. This book will appeal to the countless women who resent that their husbands never listen and that they have to nag in order to get them to do anything around the house; who feel like their husbands are always pawing at them to have sex; and who want more from their marriage. It will appeal to men who want to have more sex, less nagging, and wives who adore them. In short, GOOD HUSBAND, GREAT MARRIAGE is the book for everyone.

GOOD HUSBAND, GREAT MARRIAGE is a hard-hitting, no-nonsense guidebook for men and women to help them fix their marriages. Robert Alter's central, controversial argument: the man is primarily responsible for the marital problems. Alter says to women: "You are right to want what you want from him." He says to men: "Stop thinking it's your wife's fault, and transform yourself into the good husband you know you have in you. " In 50 chapters, Alter describes the problem areas men face and what actions they can take to fix them. The chapters include: "How to Know When You're Being a Man as Opposed to When You're Being an Asshole," "How to Talk to Her," and "Your Anger: Cut the Shit." Alter's approach is straightforward and logical; he speaks to men in a language they understand. In addition, sections of the book will be geared for women where Alter will give advice to women on what they can do.
