Is That All He Thinks About?: How to Enjoy Great Sex with Your Husband Marla Taviano

For many married women, their sex life is a source of frustration instead of the pleasure they expected. Author Marla Taviano believes most women need an attitude adjustment before they and their husbands will experience a fulfilling sex life.

With candor, Marla helps women view sex God's way and:

- stop the "meet my needs; then I'll meet yours" mindset
- celebrate God's plan for women to be godly and sexual
- seek forgiveness for past sexual impurities and move on
- get creative, spice up lovemaking, and increase desire

Marla debunks myths, calls women on their own issues, exposes the joy of sex, and presents hopeful advice that new or veteran brides will gratefully refer to again and again.
