Loving With a Vengeance: Mass Produced Fantasies for Women Tania Modleski

Upon its first publication, *Loving with a Vengeance* was a groundbreaking study of women readers and their relationship to mass-market romance fiction. Feminist scholar and cultural critic Tania Modleski has revisited her widely read book, bringing to this new edition a review of the issues that have, in the intervening years, shaped and reshaped questions of women's reading. With her trademark acuity and understanding of the power both of the mass-produced object, film, television, or popular literature, and the complex workings of reading and reception, she offers here a framework for thinking about one of popular culture's central issues.

This edition includes a new introduction, a new chapter, and changes throughout the existing text.
