Every leader functions on two stages--the front stage and the back stage. The front stage is the public world of leadership. The back stage is the private world of the leader. Many resources help you succeed on the front stage. But who is talking to you about your backstage life?

In a caring, encouraging tone, *Replenish* shows pastors and church leaders how to:

- prioritize matters of the soul
- develop healthy spiritual practices
- address problems that lead to burnout
- create a healthy rhythm in their lives
- craft a healthy leadership culture
- develop better systems in their churches
- move toward unhurried lives

If you feel alone, in over your head, or simply in need of replenishment, these resources will offer welcome relief and a healthy way forward.
