**Statistics for People Who (Think They) Hate Statistics: The Excel Edition** Neil J. Salkind

Derived from his bestselling text *Statistics for People Who (Think They) Hate Statistics*, author Neil J. Salkind presents readers with **The Excel Edition!** Using the same personable and clear style that made previous editions so successful, this new edition teaches students how they can use Excel to learn the basics of statistics. This is not a text on how to use Excel, rather it illustrates how this program can make the statistics learning experience a better one.
