SHORT STORY / 5500 Words

Suz was a good girl. She gave up her dreams of adventure to remain in her Massachusetts hometown to care for her ailing mother. Suz's husband, Hank, wasn't the sexiest man on the planet, but he kept a roof over their head.

And then the dreams began. Dreams of Boston in the dark of night. Dreams of a strange man, always out of reach.

Dreams which would change her life forever.

Half of all proceeds of the Within a Dream short stories benefit battered women's shelters.

Due to the strong sexual content and adult situations, this romantic suspense story is recommended for readers aged 17+. The series is structured for readers to read along as I write them to offer feedback and suggestions on the complex storyline. If you're the style of reader who would prefer to wait until the entire series is finished before you tackle it, that is fine! Simply wait until the series is complete and I'll offer the boxed set. I do that with all of my books.

The reason I publish as I write is that I don't write full time and it can sometimes take months for me to finish up a storyline. There are readers who don't want to wait - who would rather read along as I go and stay engaged in the process. That way they can provide feedback and suggestions on the storyline. Whichever way works well for you, I provide an option.

I love writing about Central Massachusetts and bringing this region to life. Enjoy a virtual trip to a part of the world I live and breathe! I'd love to hear from you at my website at OpheliaSikes.com.
