The Opening of the Seventh Seal (Miracles of Multidimensional Mastery Book 1) Andrea Selfridge
The first book in the Trilogy of Miracles of Multidimensional Mastery, The Opening of the Seventh Seal follows the life of Andrea Selfridge, an ordinary woman, living an ordinary life – until a life-changing visitation from the angelic realms sends her spiralling in a completely new direction. Alien abductions and past-life memories of her lives with Jesus and Queen Hatshepsut awaken her to her present life soul-contract, that of being a channel for Princess Diana to work through. The proof that the spirit lives on after death is to be comfort for humanity as we shift through the consciousness of fear into that of love and an acceptance that we are, and always have been, vast multi-dimensional beings currently experiencing what it means to be human.
