Haley Landon was carrying a baby nobody wanted.

Billionaire David Castle had promised her one hundred thousand dollars to be a surrogate mother for him and his wife. Haley had agreed, desperate for the money to cover her debts while she cared for her ailing mother. Then everything fell apart when Mrs. Castle discovered she was pregnant; they suddenly wanted nothing to do with the child Haley carried.

Now, Haley has one last appointment with Dr. Bryant - a handsome young doctor with a dangerous secret. Over the months, she'd come to think of him as more of a friend than a doctor. Besides her mother, she knew few people in the area and Bryant was the only one who seemed to be looking out for her.

She came to say goodbye, but he might not be willing to let her go...
