Burnt Orange: Color Me Wasted (TrueColors Series #5) Melody Carlson

Up until her senior year, Amber has been the model of perfection--just like her dad, Pastor Conrad, taught her to be. But when Claire Phillips invites her to more and more parties, Amber's little white lies about her drinking spark a raging wildfire that threatens to overtake her life.

Will she be honest with herself and her friends before things really get out of control?

This fifth book in the teen fiction series TrueColors looks at alcohol abuse, addiction, and temptation.

From reader reviews:

Caroline Hagemann:

The reason? Because this Burnt Orange: Color Me Wasted (TrueColors Series #5) is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who write the book in such awesome way makes the content within easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I were being you I will go to the reserve store hurriedly.

Jacqueline Kellett:

In this period of time globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will see that now, a lot of publisher this print many kinds of book. Often the book that recommended to your account is Burnt Orange: Color Me Wasted (TrueColors Series #5) this e-book consist a lot of the information on the condition of this world now. This particular book was represented so why is the world has grown up. The dialect styles that writer value to explain it is easy to understand. Typically the writer made some study when he makes this book. This is why this book ideal all of you.

Wendell Radford:

Is it a person who having spare time and then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Burnt Orange: Color Me Wasted (TrueColors Series #5) can be the solution, oh how comes? A fresh book you know. You are therefore out of date, spending your time by reading in this fresh era is common not a geek activity. So what these books have than the others?

Guadalupe McCoy:

A lot of reserve has printed but it differs. You can get it by world wide web on social media. You can choose the top book for you, science, witty, novel, or whatever simply by searching from it.
