As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this
