Politics: Books VII and VIII (Clarendon Aristotle Series) (Bks.7 & 8) Aristotle

This volume contains a clear and accurate translation of the last two books of Aristotle's *Politics*, together with a philosophical commentary. It is designed for both professionals and students, including those who do not know Greek. As a key document in Western political thought *Politics* raises and discusses many theoretical and practical political issues which are still debated today. In Books VII and VIII Aristotle gives his fullest picture of the ideal civic community as a model for actual political systems.
