Red Eyed Tree Frogs. Practical Keeper's Guide for Red Eyed Three Frogs. Information on care, housing, feeding and breeding. Melinda Murkett

Red-eyed tree frogs are one of the most popular vivarium pets, thanks to their startling beauty and brilliant colouration. At one time they were limited to private collections maintained by herpeto culturists, but thanks to captive breeding and a greater understanding of their husbandry needs, red-eyed tree frogs are being kept as pets by amphibian enthusiasts everywhere.

This illustrated volume is aimed at beginners and veteran keepers alike. It provides guidelines for:

- Selecting a healthy red-eyed tree frog pet
- Setting up a proper enclosure
- Feeding
- Medical care
- Breeding

A separate chapter introduces readers to other popular frog pets, as these charming animals are so enjoyable to keep that most people can't stop at just one. We hope you will enjoy this practical guide for those who love to keep this beautiful rainforest amphibian as a pet.

This book is printed in colour with unique beautiful pictures of red eyed tree frogs.
