Road network includes local roads and tracks and gives driving distances on main and secondary roads. Internal administrative boundaries are shown with names of the provinces. National parks and protected areas are shown and symbols indicate other places of interest, including campsites and refuges, archaeological remains, castles, viewpoints, beaches, golf courses, etc. The map has a grid with latitude and longitude at intervals of 20'. Map legend includes English.

The main route of the Way of St James from Pamplona, across Logroño, Burgos, León and Ponferrada is clearly marked. The map also shows the alternative coastal route and its variants. Various churches and monasteries along the route are highlighted.
