### Ghostly Murder

A murder in a locked room...The faceless ghost... Throw in a cross-dressing detective plus his assistant extraordinaire in this new mystery series!

A high profile murder calls for a high profile detective.

When the famous Sushi Czar is found dead in a room that's locked from the inside, the evidence just doesn't add up. Of course, a killer ghost is no match for the deductive skills of Michael Archangel. The fabulous cross-dressing former FBI agent can rock a set of sky high stilettos and assemble clues like puzzle pieces, but can he actually prove a ghost committed murder?

Only his assistant knows for sure. Former housewife and London socialite Kelly Kinki (it's *Kinki* ending with an I not a Y) may someday be the Watson to Archangel's Holmes, but for now, she's following orders, coveting his fashion sense and learning from the master PI that there's something truly fishy about this case.

### Immortal Eyes

Serial murder with a sick ritual... The mismatched duo's race against time...and the most unusual way to use Eggs Benedict!

Former London socialite Kelly Kinki doesn't always see eye to eye with her sexy-as-hell boss Michael Archangel, but she'll follow the brilliant, cross-dressing detective anywhere to help solve their latest case.

Kelly was happy to lay her rep as the Dragon Lady to rest when she moved across the pond, but to catch an eyeball snatching serial killer she'll have to put her skills at fire breathing to the test once again.

A gruesome autopsy, a visit with her ex, and a shocking encounter with a killer compete for craziest day on the job, but nothing can hold a candle to a glimpse of her boss in the buff.

Can Kelly and Archangel solve the case? The eyes have it. PI's that is.

### Deadly Vision

A murder of a sweetie pie... A newbie, pathetic agent...and the reluctant mentor...

Voted #7 of DC's Most Eligible Bachelors, now Michael Archangel--her boss--is officially the hottest PI in the neighborhood, and one of the most talented. Sought by clients and police alike for his wit and brain

power, this is an American Sherlock with style - and a unique past.

The college girl was last seen at Tricky Sundae, a local ice cream shop, and then she turns up dead. This time, the case seems so normal, at first. The victim, a universally-loved college student, has been strangled. Well, maybe not so "universally" loved, since she's dead--and that's the weird part. Not a single person has anything bad to say about her.
