Dublin Girl: Growing up in the 1930s Elaine Crowley

Growing up in a one-room tenement with her parents and two siblings, Elaine Crowley became a shrewd observer: of the neighborhood within the Liberties, of street life, of poverty, of her father's infidelity, and of her mother's effort to end his affair. Her memories create a moving portrait of a 1930s Irish family contending with the pain of adversity and loss, and how love can overcome both.
