Trove of Treasure Maps Brian Jelke

Need an adventure hook for your party tonight? Or maybe you rolled "treasure map" on the treasure tables, but don't have one prepared? This invaluable product provides ready-to-go action, with detailed treasure maps! Simply drop one of the mysterious, hand-drawn player aids on the table and let the players take it from there, while you sit back safe and secure with the full knowledge of what awaits them plus an accurate map of your own! This product includes rules information for players of both the HackMaster® game and the Kingdoms of Kalamar® official D&D® setting. That's right! You can use this product with either one of the two most popular role-playing systems on the market. Also designed for easy use with other campaigns!
