**Archetypes of Wisdom: An Introduction to Philosophy (Available Titles CengageNOW)** Douglas J. Soccio

Featuring Douglas J. Soccio's lucid and conversational prose and a well-chosen, reader-friendly array of succinct excerpts from canonical primary sources, ARCHETYPES OF WISDOM brings philosophy to life for its readers through the examination of many paradigmatic philosophies and philosophers. Very much a student-focused book that speaks out of Soccio's non-condescending desire to speak to students where they "are" and not where they "should be," ARCHETYPES OF WISDOM includes numerous pedagogical illustrations and features (Philosophical Queries, a Marginal Glossary, Chapter Summaries, End-of-Chapter Questions for Reflection, to name a few) to make this often-times daunting subject the approachable and engaging subject it ought to be. The Sixth Edition represents a careful revision, with all changes made by Soccio to enhance and refresh the book's reader-praised search-for-wisdom motif. In particular, this edition features new coverage of Lao-Tzu; expanded, chapter-length treatment of Kierkegaard; and an engaging introduction to the complex landscape of philosophy in the twentieth century focusing on the two archetypal thinkers of this time period: Wittgenstein and Heidegger. Soccio's lauded prose is also enhanced in this Sixth Edition by the text's new full-color design. The text is supported by an unmatched array of teaching and learning resources that include CengageNOW—a powerful online tutorial and course management system, and dynamic easy-to-use lecture and class preparation tools exclusive to Wadsworth, a part of Cengage Learning.
