Current Issues in Nursing

Current Issues in Nursing

Current Issues in Nursing provides students with a forum for knowledgeable debate on issues and trends affecting the nursing profession. The text is organized into eleven sections which address key issues and topics in today's nursing environment. Each section begins with an overview of the topic followed by a debate, then followed by several viewpoint chapters. The viewpoint chapters present varying perspectives on the topic, allowing the reader to analyse conflicting viewpoints, think critically about the topic, and make thoughtful decisions. The final viewpoint chapter of each section examines the topics from the point of view of nurses in other countries, providing a global perspective. The chapters are authored by more than 100 well-known and respected nurse leaders and educators.
