Harry is a red eared slider turtle. He lives in his turtle tank, which is located in the living room of the McAdoo family in a quiet neighborhood in Brooklyn, NY. He belongs to 8 year old Charlie McAdoo, and spends his days happily sunning under his heat lamp, chatting with Gemma the hamster, who belongs to Charlie's little sister, and waiting for his favorite time of day, when Charlie gets home from school to tell him all about his adventures. Life is happy, at least until one cold January afternoon when Gemma wakes up from her nap to find Harry has vanished from his tank! It's up to the clever cats of the F.B.I. – the Feline Bureau of Investigation – to do what they do best: solve animal related crimes in New York City and, in a race against the clock, find Harry before the McAdoos come home and discover he's missing!
