Letting Go

Kimberly Wenzler

Letting Go Kimberly Wenzler

The Buchanans are living an idyllic life on Long Island. Max is a successful author, Lucy is his supportive stay-at-home wife, and their only child, Sammy, is the center of their world.

On February 1, 2007 their lives change forever.

A year later, Max is hiding behind writer's block—shuffling through daily life with minimal effort while eight-year-old Sammy devises his own process of dealing with his upturned world. His secret conversations with his mother give him the strength to adjust to his new life and new family dynamic.

When trouble at school brings Max and Sammy's teacher together, Max is torn between awakened feelings of need and desire and the love he still harbors for his wife. Sammy forms a closer bond with Benjamin, the troubled teen across the street, who suffers from the pain of his past and plays a dangerous, illegal game. And Lucy, watching as her family unravels, is helpless. Or is she?

* * *

In Wenzler's second novel, *Letting Go* tells the heartwarming story about a mother who refuses to leave her child, and as she watches her husband begin a new life, must figure out how to hold on and when to let go.

From reader reviews:

Amanda Mathis:

Spent a free time for you to be fun activity to do! A lot of people spent their down time with their family, or all their friends. Usually they doing activity like watching television, likely to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? May be reading a book could be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the guide untitled Letting Go can be fine book to read. May be it may be best activity to you.

Patrick Walker:

Is it anyone who having spare time in that case spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Letting Go can be the solution, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these books have than the others?

Jessica Ball:

On this era which is the greater man or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple method to have that. What you should do is just spending your time not much but quite enough to get a look at some books. One of many books in the top listing in your reading list is actually Letting Go. This book and that is qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking up and review this publication you can get many advantages.

Glenn Bail:

As we know that book is important thing to add our expertise for everything. By a e-book we can know everything we want. A book is a pair of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This publication Letting Go was filled regarding science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading some sort of book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like now, many ways to get book that you wanted.
