I didn't see her coming...

I spent my time doing what felt good to me.
I liked fast bikes, hot women and a little drink.
I couldn't have asked for a better life.

That was until I met Eden.

She was different than all of the rest. The fiery redhead turned me down over and over again, but then I finally got her.
She was just as hot when our bodies collided, than she had been with her smart mouth.
Eden was a firecracker and she made me want her more.

Then everything changed.
I wasn't good enough.
I was a thug, a drug dealer and she wasn't going to give me the time of day.

She tries to keep my child from me, but once I know that we have a kid together, there is nothing stopping me from making her mine again.
That is my family and I will not let them go without a fight.

This is a stand alone novel with a an ultra dominant alpha male. This book contains mature themes and language. Intended for 18+ readers only.
