The Rancher's Son (Montana Series Book 2) RJ Scott

A man without memories, and the cop who never gave up hope.

When he wakes up in the hospital, the victim of a brutal beating, John Doe has no memories of who he is or who hurt him. The cops can find nothing to identify him and he can't remember anything to help... except the name Ethan and one recurring place from his dreams. Two words, and they're not much, but it's a start: Crooked Tree.

Detective Ethan Allens has never stopped searching for the two boys who vanished. When a report lands on Ethan's desk that may give new leads, he jumps at the chance to follow them up. The man he finds isn't his brother, but it's someone who could maybe help him discover what happened twelve years ago.

What neither man can know is that facing the very real demons of the past could destroy any kind of future they may have together.
