## **The Theology of the Gospel of John (New Testament Theology)** Dwight Moody Smith

D. Moody Smith lucidly explains the theological ideas of the Gospel of John, one of the most important documents of the New Testament. He concentrates on its presentation of Jesus as the Christ, and deals also with such topics as God, the scriptures, the Church, and the spirit. These topics are related insofar as possible to the specific setting in which the Gospel was written, since one cannot understand such theological concepts in the abstract. The book is an ideal introduction to the question of the origin of the Gospel of John as well as its theology.
