Direct Action: CYBER (DA:C Book 1) John F. Holmes

There comes a time when, provoked often enough, your victim may strike back in ways you never imagined.

From the slums of Rio to the high rises of Brooklyn, the men and women of Special Forces Detachment Two (Direct Action: Cyber) bring violent justice to the on-line enemies of the United States. The "DAC" aren't looking to recover hacked data, or drain illegal bank accounts. They're conducting retribution, with all the power and might of the U.S. Military behind them, and leaving a trail of bodies in their wake.

Written by the same author who brought you the best selling post apocalypse series "Irregular Scout Team One", this new series takes modern cyber warfare to a whole new level.
