Here's a great new journal designed for the introspective poet or the accomplished singer-songwriter. Our musical journals have been strong sellers (The Musician's Notebook sold more than 100,000 copies), and this handsome parchment lyricist's diary promises to follow suit. There's plenty of space for penning soulful lyrics, with inspiration and commiseration in the form of quotes from artists, writers, and musicians, such as Leonard Bernstein, Gilda Radner, and Ernest Hemingway.
