Otokahekagapi (First Beginnings): Sioux Creation Story Thomas E. Simms

This book, intended for children, tells the creation story of the Lakota Sioux. The Sioux were monotheists. However, to represent the many aspects of God, they made the creation story more understandable and appealing by representing these aspects as human characters so that the listeners could better relate the story being told. The book has 29 illustrations, one per page, with the creation story written in Lakotan underneath each illustration and an English translation on the bottom of each page.
