Enjoy 100,000+ words of steamy historical passion with this new collection and a special bonus

Her Daring Gambit

Roma Burrows and her friend Rebecca Cronk own and run a bookstore together, but Rebecca has always been too wild, too bold, too improper for books. When she inherits a great deal of money, she means to leave the store and go travelling, abandoning Roma. Roma will not take a loan, so the friends devise a bet. If Roma will kiss Casper Bates at a party, in front of everybody, Rebecca will give her two-hundred pounds. Roma is shocked, appalled, offended—and she agrees.

Casper Bates has recently come into a "tidy sum". He means to go to America and make it even tidier. He invites a woman named Miss Burrows to his party, mostly just to fill up the numbers, but then the strangest thing happens. Without a word, she walks straight to him and kisses him. He immediately kisses her back. He has never met such a brave, beautiful, intelligent woman.

How can he go to America now?

Lust has captivated both of them. Their behavior will challenge late-Victorian ideals, but they are not concerned with that. They are concerned only with the perfect moment of pleasure.

The Duke of Hearts

Francis Seymour, the 5th Duke of Somerset, died unmarried and childless. To history he was a lonely man. But there was a moment of love in his life, when the vivacious and captivating Sarah Archer, a minor daughter of a minor family, came to Berry Pomeroy Castle one summer for the fayre. Francis, a eighteen-year-old Duke, was in a stupor. Depressed and bored, he decided to attend the fayre.

There he met Sarah. She was the most beautiful, elegant, intimidating woman he had ever seen. Four years his senior and yet unmarried, she carried herself with a grace which was unmatched in his courtly day-to-day dealings. Shockingly disregarding of class, she talked with common folk and lords and ladies alike, causing distress amongst some of her more conservative peers.

Francis thought he had the upper hand, that Sarah Archer had not spied him. But he was wrong. Sarah Archer had seen the Duke a year prior in London, and had not stopped thinking of him since.

.. and many more!
