The World in 2050: Thoughts and Predictions for a New Age Mr Kumar Sarkar

What does the future hold? Follow Kumar Sarkar's amazing journey from his own past to the year 2050. Born in a small village in India and coming to Canada in the 1960's to study and become a self-made man, Sarkar has watched the world evolve with a mathematician's eye and a philosopher's heart. Here he gives insights and predictions into the sometimes magical, sometimes amusing, sometimes terrifying, and always fascinating world of tomorrow. With topics ranging from future world superpowers and the fall of capitalism to science and religion to what movies and cars will be like somewhere in the years to come. With brilliant analysis, insights, knowledge, and lots of fun, take a tour into some far off day—into the world of 2050.

From reader reviews:

Lana Alvis:

In this 21st one hundred year, people become competitive in every single way. By being competitive right now, people have do something to make these people survives, being in the middle of the crowded place and notice by surrounding. One thing that sometimes many people have underestimated it for a while is reading. That's why, by reading a book your ability to survive increase then having chance to endure than other is high. For you personally who want to start reading any book, we give you this particular The World in 2050: Thoughts and Predictions for a New Age book as starter and daily reading e-book. Why, because this book is more than just a book.

Roman Leonard:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their sparetime with their family, or their very own friends. Usually they doing activity like watching television, likely to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could possibly be reading a book is usually option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to try out look for book, may be the reserve untitled The World in 2050: Thoughts and Predictions for a New Age can be good book to read. May be it could be best activity to you.

James Rodriguez:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The World in 2050: Thoughts and Predictions for a New Age can make you really feel more interested to read.

Kathy Lloyd:

What is your hobby? Have you heard in which question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, All people has different hobby. And also you know that little person like reading or as studying become their hobby. You must know that reading is very important along with book as to be the point. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You find good news or update regarding something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is niagra The World in 2050: Thoughts and Predictions for a New Age.
