Blurred Lines: Books 4-5: Meant For Me & Breathe Me In Erin McCarthy

The final two books in the emotional BLURRED LINES series are available in one set from New York Times bestselling author Erin McCarthy.

MEANT FOR ME

A future gone off the rails...

Since Ethan Walsh realized his fiancé was in love with another guy, his life has been spiraling out of control. He's spent the last eighteen months drinking too much, hooking up with random girls, and flunking out of law school. When his sister Aubrey has a baby, he goes to visit her on the remote island off the coast of Maine, expecting it to be awkward.

A past that haunts the present...

What he isn't expecting is Aubrey's neighbor to be a beautiful and aloof blonde, Chloe, whose piano playing lulls him to sleep every night. He wants to talk to her, get to know her, kiss her.

But Chloe doesn't speak, and no one knows why. So Ethan makes it his mission to learn the truth and instead falls in love with her smile, her music, her notes and texts to him. Helping Chloe feel safe enough to open up is actually healing him, but what happens when the darkness of reality threatens to destroy their new life?

And a love that doesn't need words, only the heart...

BREATHE ME IN

Never wanted...

Anya Volkov was adopted from Russia as a child, only to be rejected a year later, deemed difficult. After a lifetime of bouncing from foster home to foster home Anya is living in the East Village and scraping by playing gigs in small clubs, and facing eviction. She'll do whatever it takes to keep a roof over the head of herself and her one year old son. Including making nice with the twin she doesn't remember and stealing baby food from a grocery store.

Always needed...

Kane Dermott doesn't want to bust the pierced and sexy woman stealing at the grocery but neither does he want to help her or believe her sob story. Being a cop and the oldest of six siblings with a single mom, he's always the one doing the right thing. The one everyone depends on. The good guy. For once he just wants to have some fun with the hot girl, and Anya is more than willing to make him forget her petty theft in the most delicious way possible.

But it turns out the sob story is real and in the murky world of black market babies, Anya and her son are in danger, and Kane can't walk away from the mysterious and broken woman he has come to love. But neither can he trust her.

When lies are truth and truths are lies, sometimes only love is the answer...
