Building Your Nursing Career can be used as a stand-alone resource or as a Student Guide to accompany Donner and Wheeler's Taking Control of Your Nursing Career, Second Edition. The content is based around the Donner-Wheeler model of career development, described at length in the book. In addition to discussing the model specifically from the student's point of view, the guide provides additional examples and hands-on activities to stimulate and helps nursing students prepare for their nursing career as they progress through their nursing education.
