**MasterPath: The Divine Science of Light and Sound (Vol. 1)** Gary D Olsen, Sri Gary Olsen

This book offers an overview of the MasterPath, a spiritual Path that provides a contemporary expression to the ancient Teachings of Light and Sound. Not belonging to any specific culture, but having appeared in every culture throughout history, these Teachings are known as Surat Shabda Yoga and Sant Mat in India. These Teachings are the same as taught by spiritual luminaries such as Lao Tse, Pythagoras, Jesus, Nanak, Rumi, Hafiz, and Sawan Singh Ji. Sri Gary Olsen is a contemporary, Western Master of the Light and Sound, and his writings address the seeker of truth left unfulfilled by traditional practices and pursuits. The Light and Sound Teachings go beyond religion and philosophy, beyond psychic paths and metaphysics, into an exploration and realization of the true self, which is soul, and the Sound Current, which is the Divine Spirit and animating Source of all life. This revised and expanded hardcover edition contains several new chapters that address the common experiences of everyday life and provide a spiritualized viewpoint toward such issues as substance abuse, sexuality, marriage, and parenthood.
