My Miserable Lonely Lesbian Pregnancy Andrea Askowitz

In this memoir of her 40 weeks and five days in hell, Andrea Askowitz takes an unflinching look at her pregnant life from struggling with hormones to poor body image to a self imposed exile from family to take us on a ride through the turbulence of single lesbian motherhood. Along the way we meet her liberal parents as they struggle with their daughter's choices, the lover she longs to reconnect with who goes M.I.A. before the pregnancy, the friends who turn out to be no help at all and strangers who offer up some unlikely kindness. Andrea presents herself real, raw, impossibly cranky yet deeply touching with her self-deprecating dark sense of humor that will make you wince or better yet send you into uncontrollable fits of laughter
